Stunning condition with well below the average mileage. 2 owners from new, myself being the second owner. Full service history and in the last 6 months had both a new starter and battery. She is very reliable and drives beautifully and looks great too. Mot is due on the 1st of march so will be sold with a full years mot.the car has been described as in mint condition by a dealer ship when looking her over for part ex but advised worth a lot more selling privately - hence this ad. If your looking for a reliable island registered car then this is well worth considering.;
