Hi I am youth worker...and self employed graphic designer/musician offering lessons in the following areas.. 1) How to use phones/computers/laptops to create any type of backing music and be able to record singing/instruments over it.... This can be using basic free software from internet ....like audacity ( which is also useable for the blind/visually impaired) 2) How to make a you tube film and editing it or music video...and upload to internet ( free film editing software is available on internet) 3) How to do graphic designs /desk top publishing/printing....and do free website ( free graphic design software is available like serif ..from internet ) 4) some guitar lessons may be available ..acoustic and.....
