Jimmy Bodur
MALE GROOMING

I am UK qualified in Level 3 Beauty/Grooming, Level 4 Sports Massage and Level 3 Personal Training. I was personally trained by Kim Lawless 'The Wax Queen' and use only her methods, which is fast and thorough and gives the perfect wax every time. Here are a selection of the products that I use on my clients, including the highest quality hot wax by Perron Rigot from Paris which does not cause any soreness at all. You'll be amazed with the results straight away. 193 Whitecross street Old Street London EC1Y click to contact 07891 007759 07891 0077...(click to reveal full phone number)
