DRUMMER WANTED for pop punk/rock covers band.

Hi everyone, We are looking for a drummer to complete our lineup (2 guitarists, bassist, female vocalist). Our setlist includes +44, Offspring, Rise Against, Jimmy Eat World, No Doubt etc etc.

We are preparing for a small, fun private gig in mid march, so we are looking for someone who can commit to a few practices before then. !

Drummer required for punk pop covers band.
