We are a newly established language tutoring centre, Rice Language Centre, which is based in central London. We are dedicated to providing our students with first-class mandarin tutoring, in small groups of 4-8.

Our instructor, qualified with Proficiency in Putonghua (Hong Kong Examinations and Assessment Authority), possesses solid experiences in teaching mandarin, with students ranging from kids to adults.

We teach with passion and care. We offer systematically and well-designed course materials to build you a solid foundation, setting you with different milestones, and helping you to achieve your goals in learning.

We are now offering classes for adults, primary school aged, and secondary school aged students, with 4-8 students per class. Our fees are reasonably charged at £25/session (1.5 hr)

Don't hesitate to contact us for more details about our tutoring groups or any information you're interested to know! We look forward to hearing from you!
