This is our much loved 5 berth caravan in which we've spent many happy times! Brilliant layout for families - 3 fixed bunks in rear bedroom, middle bunk runs across back, with top and bottom bunks running lengthways, so plenty headroom as bunks not on top of each other, and all have a window. Seating area at front converts to comfortable double bed. Drawer unit with pull-out table, or fully removable if you prefer the space. Separate freestanding table stores in wardrobe. Made-to-fit removable carpet new 2013, laminate floor underneath. Perfect to take out carpet for hot weather/sandy campsites/cleaning! External gas BBQ point and electric point. Blown air heating throughout incl into awning when required. Elec/gas silent fridge with freezer compartment. Shower room, swivel toilet, fitted removable rug. Hot water. Large rooflight. Double glazed, flyscreens, blackout blinds, curtains. 2 kitchen sinks, 4 ring hob with glass lid, oven, separate grill. Can include microwave if required. Large Bradcot awning, lightweight extendable poles, curtains. Easy to put up (honestly!) Tyres new June 2016. High power leisure battery new 2015. Water pump new February 2016. Alkohitch stabiliser. Lightweight, really great to tow and manoeuvre. Serviced annually. Everything in good working order, lovely and clean and tidy for its age. Nonsmokers. Extras included if required for first time caravanners - water butts, leads, microwave, bits and bobs. Stored in Denmead Hants. Feel free to ask any questions or to.
