I'm selling just few days used and in perfect condition Iphone 6, 64gb, unlocked. You gonna find all specs from the internet. I'm selling it cause I'm from Lithuania and currently in a business trip in Uk . I needed to use Uk network and mine phone just didn't recognized any network in here. So I bought from EE this phone, warranty is 2 years, and I will give you all the buying documents also. I'm now going back to Lithuania, and I don't have anything to do with this phone in there, cause warranty and documents are from here. My plane leaves tomorrow and will give this phone to fastest buyer. I'm currently in London and we can meet today or I'll hand it over to courier tomorrow. If you're fast enough I can lower a price a little more.. Call: +37067290625 or write me now! click to
