Xbox One 500gb Black Console, Power Cable, HDMI Cable, 2 Controllers and 4 Games (Halo 5, Gears of War 4, Rise of the Tomb Raider and Sunset Overdrive)

I'm selling because I use my PS4, as all my friends own that games console. The Xbox and Halo 5 have only been played a couple of times since purchase in October 2016, the other 3 games have been opened but never used.

Selling it as a bundle.

Send me a text if you have any questions.

Thanks,.
