2004 BMW Mini Cooper 1.6 Petrol in chilli red with white stripes.
 Only covered 88k miles, the bodywork is in very good condition apart from a small mark on the bonnet
 The interior is also in very good and very clean condition.
 My Daughter has owned this car for 3 years and it has been very reliable for her but with her son getting older it is now too small. It has always been maintained/serviced regardless of cost, the last service was carried out at 87k miles.
 The previous owner upgraded the wheels and front brakes which came from a Cooper S, the car drives and handles superbly.
 It has MOT until October 2017 £2595 ONO If you require any more information or wish to arrange a viewing don't hesitate to contact.
