Saturdays in Streatham! What could DRUMMING do for you? Drumming is fun. Drumming can help reduce stress. Drumming is good for building confidence. Drumming is great for improving your co-ordination & concentration, not just your musicality. Drumming can offer the above benefits - and many others too. All ages welcome (I've taught from ages 6 - 72). All levels of experience welcome (I've taught complete beginners, students going for Grade 8, and even professional drummers). All ambitions welcome (I've taught people who want to join a band, students who just start a new & exciting interest, students who wanted to improve their UCAS statement... as well as those who just wanted to impress their mates!). Learn to play drums with a friendly, experienced, professional drum tutor. Fully insured and DBS/CRB checked. Saturdays at the Capoeira Centre in Streatham. £25 for 50 mins.
