Good solid oak display unit in exceptional condition. 126 cms wide. The top half separates from the bottom half. Includes glass shelves in the top section and lighting. The bottom half is also shelved and you would be surprised how much crockery etc you can store in it. From a pet free and smoke free home. Reason for sale moving house - which is a major downsize! Please see other items I have for sale as I am also selling a matching extendable table and 6 chairs also in exceptional condition. Not a mark on any of it due to the good care it has received.
