Its power delivery is razor sharp and as you chase down those corners you'll feel directly connected. Standard-fit Anti-Lock Braking System (ABS) adds extra braking confidence as you ride. To be CBR is to be something special. So when we came to design the CBR300R we knew just where to go for inspiration â€” the CBR1000RR Fireblade, our ultimate open class Super Sport machine. A crisp silhouette outlines the look of speed while stylish twin headlights, sharply angled fairing with colour-matched under-cowl and steeply raked seat unit inject Super Sport attitude into the 300cc class. You cannot or will not mistake the CBR300R for any other motorcycle. And thatâ€™s by design. It is.
