2001 525i BMW Touring. 146,500 miles. Black leather seats, air conditioning, electric windows, electric mirrors, cruise control, 6 CD changer, angel eyes, 4 good tyres. Auto box with sport/manual mode. MOT until end July 2017. Reliable work horse in daily use. Negatives; slight crease in tailgate from light rear end bump, parking sensor faulty, alloys are a little tarnished, front cup holder broken. The car is generally in good condition for its years and hasn't missed a beat in 14,000 miles of ownership. Mileage will increase a little as the car is in daily use. Just purchased a (slightly) newer car, hence reason for selling! Please feel free to call if you would like to view the.
