Hi there,

Its time to give up a business that I have been running for the past 8 years now that I was running just on weekends, its a good source of income if you have a passion in cleaning cars. If you put the effort in there is a lot of money to be made in this business.

The Van is in good condition and comes with LOW Mileage for a Diesel, I have all the paperwork for the van since I have owned it, has all the service details, has approximately 10 months left on the MOT. also Road Tax valid on the Van.

The Van Has the following Equipment:

LARGE WATER TANK, 2 HOOVERS 1. WET AND DRY HENRY HOOVER 2. NORMAL HENRY HOOVER AND ALL THE HOOVER BITS, KARCHER STEAMER, KARCHER K7 POWERFULL JET WASH, STEP LADDER, BUCKETS, SOME PRODUCTS AND BLADES.

Also the van comes with deadlocks fitted, so you know your products and equipment will be safe, the van has central locking and comes with spare keys.

If your based in Leicester I can give you all the contacts of my clients as well.
