NEW Bridgestone Potenza S001 Run Flat 225/50R17 94W (set of 4)

I recently bought a set of new alloy wheels from a BMW dealer. These tyres were the original fitment but the load rating was not suitable for my vehicle so I had to replace them with a different type. The BMW dealer removed these from the wheels and sold them to me as part of the deal.

As you can see they are new and unused, they still have the labels attached.

I am happy to split in pairs if you only require two of them. £400 for
