I am a fully insured and qualified reflexologist (CRM5 diploma), with additional qualifications in Reflexology Lymphatic Drainage and Palliative Care, Maternity and Fertility and Vertical Reflexology. Reflexology is a non-invasive holistic therapy, supporting personal well-being by working reflex points on the feet, hands and ears. This therapy supports acute and chronic conditions as well as day to day health challenges, it is also known to support and promote relaxation. Please contact me if you wish to book a treatment, have any questions or would like to discuss your individual treatment.
