Welcome to Tony the Tumble-Dryer King!!!! Why spend more than you need to for a tumble dryer for your home.? For as little as £10.00 per calendar month you can have a fully working, fully-serviced vented tumble dryer installed. But you're not just getting the tumble dryer, you're also getting the peace of mind of knowing that your machine is fully-serviced before you get it & it will be fully-serviced every year to ensure that it stays in excellent working condition AND Because it's rented, WE will be responsible for the cost of any repairs it may need and for providing you with an immediate replacement if yours can't be repaired right away. . . If you buy a new dryer on monthly-payments, by the time you've finished paying for it you'll have a three year old dryer, with no warranty and no service back-up. With Tony the Tumble-Dryer King that won't happen. From day one you'll get excellent service in the event of a breakdown & problem-solving help by phone, email & Facebook. . . Currently this service is only available in the Greater Manchester.
