A4 S-line 2 litre 140bhp diesel special black edition 116.000.000 miles only will go up a little due to use. lots of history service & cambelt done march 2016 with maff sensor & new turbo and lower intercooler pipe also done last year lots of paperwork and service history hpi clear I'm now sadly on my own and want a smaller car
 Its in a lovely light blue metallic rare colour I'd say as u don't see hardly any has all the usual S- line extras cruise control dual climate control full closure alarm Bose audio system and unusual power sunroof two tone full leather black and grey has led lights fitted front and rear too front DRL'S
 Being a diesel nice and cheap to run good clean car for age. Any questions please.
