Hi I'm selling my bmw 1series due to wanting to expand our family so ideally need a bigger car Its been a reliable car threw out the time we've owned it.
Was last serviced by the garage we brought it from
Body is in good condition for it age but there is a couple age related marks nothing drastic tho so would say it's in good condition Interior again in good condition for a used car that is used daily A reliable 1st car for some one that's just passed and is looking for something with reasonable running costs Any questions please call or email or text Thanks for
