Fits together as shown in pictures, could probably be fitted opposite handed. Overall width is 3.5M, depth including end display unit is 1.9M. will take bed up to 5' wide. PLEASE NOTE, suite is currently all connected together as seen in pictures. Suite will disconnect into single units (but not flatpack), and I will help dismantle it, but you will need a large van, and be prepared to help take it apart and get it downstairs (I will help).
