

Tenant Verification service

Location **London, London**
<https://www.freeadsz.co.uk/x-501948-z>

Referencing is an essential part of tenant pre-screening when you're letting out your investment property. Knowing exactly who is moving into your property will help you to make an informed decision about the tenants you select. We provides a rapid, efficient and compliant means to verify new tenants in the UK. Accessible online, the system offers an easy-to-use interface. Our investigation and verification partners can access tenant verification databases and credit activity information. All of our tenant verification services are offered on a fee per case basis, just place your initial order with us and we will investigate and verify your new tenant. Among the essential information we provide is any hidden debts linked to their current and most recent homes, giving you more insight into affordability of any potential tenancy. We also verify that the details you have are for a valid and correct person at a correctly supplied address. We check and verify the following information points; Confirms current supplied address Confirms full name, date of birth & nationality Confirms current occupation Details of any County Court Judgments Insolvency data on the subject at the address Confirms supplied tel numbers Property registry search We are experts at tenant referencing and provide an effective low cost tenant verification. Why landlords choose us Save time and money using our online system to check a tenant This tenancy check service will return a result in 24 hrs Gain confidence that your prospective tenant is who they say they are Reduce the risk to yourself by having proof of how much rent your tenants can afford Understand the tenants outstanding declared and / or undeclared County Court
