This is our super litter of chocolate labrador puppies. These lovely puppies have been born and raised in our home and are already used to everyday household noises like the Hoover and the TV. Mum is our full pedigree chocolate Labrador and dad is our KC registered chocolate Labrador. They were born on the 3rd of February and they will be ready for their new homes on the 31st of March. They will come fully wormed and de-fleaded, microchipped, their first vaccination, a bag of their food, a blanket with mums scent on and a copy of dads KC paperwork. We have 4 boys and 2 girls available. A £100 non refundable deposit will secure your chosen puppy. Viewings are now being taken.;
