

EVERY SEWING MACHINE SHOULD HAVE ONE (595 GBP)

Location East Midlands, Nottinghamshire
<https://www.freeadsz.co.uk/x-502521-z>

Need space to create? Whether you're a Sewer or Quilter the Horn Nova cabinet has got it covered, is thoughtfully designed to make your sewing more pleasurable and convenient. Once the cabinet is fully opened, it reveals large extension of your work surface to both the left and right of the seating position and gives access to storage. The centrepiece is the maxi air-lifter which enables you to set your sewing machine in one of three positions. It can be stored inside the cabinet when not in use, can be lifted to the height of the table enabling use of the free arm, or to the flatbed position for a huge sewing surface. The extra wide aperture can handle all sizes of domestic sewing machines,Once the cabinet is fully opened, it reveals large extension of your work surface to both the left and right of the seating position and gives access to spacious. see through door bins making finding thread etc... easy, heaps of storage & fitted with a handy removable accessory tray on the work surface, a deep drawer plus a convenient shelf to store your overlocker. When you've finished sewing, the machine folds into a surprisingly compact cabinet that is both lockable and easily moved due to 8 strong and durable.
