For part or full loan is my black cob mare 14.3hh. Shes bombproof in traffic and hacks alone and in company. Easy to do and very well behaved never puts a foot wrong. Has been there and done everything shes amazing to be around and a pleasure to own. Shes only up for loan as im struggling with being heavily pregnant shes also not getting ridden as much as i'd like shes to good to be a field ornament. Im looking for a contribution of £100 towards her rent,hay,straw and feed. Also looking for help with half her shoes which its £65 a full set every 6-8weeks so looking for help of half £32.50 or if full loaned u would cover everything she needs. Shes amazing to catch,load,shoe,bath and clip. Shes to stay at current yard between banwell and locking and i will not let her move yards. Anyone interested plz message me and come meet my beautiful girly. Also available for part loan only is my beautiful coloured boy hes 17hh ID x COB 8 years old. Im looking for someone 3/4days a week. Hes a very good boy that hacks alone and in company with no problems hes been hunted in the past and jumped (not with me) i have jumped him on the lunge as i fell pregnant so havent been on board to do it. Lovely mannered boy hes nicknamed the bfg as he really is a very good boy. He is a little head shy due to ear plaque so can be a little wary of u touching his ears but with trust he gets better i'd be happy to help u until u bond. He came to me 2years ago very poorly with liver damage caused by ragwort poisoning and its caused photosensitivity to. Hes now recovered and is fit as a fiddle although the photosensitivity can still play up sometimes. Hes also sadly got laryngeal paralysis which is a collapsed larynx so would never be able to be ridden cross country or evented. The vet has said he can do abit of jumping but to ease him in steady hes in work currently but does need someone else to ride him due to him not getting out enough. Hes amazing to catch,load,bath,shoe and to clip although i do give him sedalin for his head due to him being

head shy other than that hes perfect. Im looking for a contribution of £100 towards his rent,hay,straw and feed. Im looking for help with half his shoes which are done every 6-8weeks so £32.50 or £65 a full set. Anyone interested plz message me he is to stay at current yard between banwell and locking and i will not let him move yards. I have lots of photos of him so if you want to see them so he can be a field ornament.
