JUG PUPPIES FOR SALE I have a litter of 4 fawn with cream mask girls, 1 fawn with black mask girl and 1 fawn with black mask boy (on blue blanket) all have curly tails.

Dad is a fawn kc reg pug, mum is our family pet jack russell and she can be seen with pups at viewings. They can leave on 4th March when they will be 8 weeks old they're already microchipped and will have had their 1st injection/vet check, flead and wormed

and have a puppy pack to include 4 weeks free insurance, scented blanket and some food.

I have them indoors so theyre used to household noises and children. Im asking £450 each with £100 non refundable deposit to secure the pup of your choice. Please text or call for a viewing

or any more information.

No withheld numbers emails or timewasters please.
