Up for sale; YZF 125R. 59 plate MOT til June 2017. The bike has had recent tyres and fork seals. As seen in the pictures it is a little rough round the edges with scuffs on the right side. The bike will only start with a bump, it will not start on the button, and runs rough! hence the reason for spares or repairs! £1295 ovno or I may consider a p/x or swap.
