This bike is in superb condition as it has been little used and very well cared for. It has Avid disc Brakes with new pads. A RockShox Reverb fork and Monarch rear shock are both in superb condition. It has a MudHugger front mudguard and I have a rear one available. The 2x10 gearing is worked by SRAM twist grips a single short click to change gear. But I have the original Paddle shifters unused if someone prefers them. There is the addition of a rare Mint Sauce sticker on the Crossbar, for those in the know! Sensible offers considered. But this must be.
