

Land Rover Range Rover Sport 2008 (3,990 GBP)

Location **East of England, Norfolk**
<https://www.freeadsz.co.uk/x-502824-z>

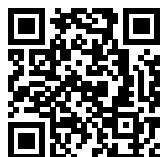

TOP SPEC HSE MODEL WITH EVERY CONCEIVABLE OPTION. Gleaming Metallic black, full black leather upholstery with front & REAR heated seats, electric memory seats, colour sat nav, bi-xenon adaptive auto headlights, harman kardon premium sound, fridge in centre console ready for those warm days, dual climate control, cruise, front & rear parking sensors, multifunction electric steering wheel, privacy windows, upgraded big 22" alloys as oppose to the usual tiny stock alloys you see on most, really compliments the car and gives it a meaner presence and a wider stance with excellent tyres all round, upgraded new premium Brembo vented brake discs and pads fitted all round, Landrover tow pack, chrome side runner steps, front & rear heated screens, electric folding side mirrors, electric windows all round and all the other usual HSE refinements. In addition, a few subtle touches were added to give the car a unique look and stand out from the rest, chrome boot lid/door handles/fog lights surrounds, upgraded front grill/bumper mesh/side vents to give it that facelift look. The RR has been maintained regardless of cost, everything works as it should with a folder full of service invoices/receipts from new (not just a few stamps in the book from Uncle Tom lol). Current MOT Aug/2017 no advisories. You will be hard pushed to find a cleaner example anywhere, it's near immaculate throughout and drives like new. A lot of car for the money. HPI clear, 2 remote.
