We have a vacancy for a Full Time Experienced Mechanic for our busy and rapidly growing electric bicycle operation working within our busy workshop. Skills/Experience Required Ideally minimum of 1 year of 'current' hands on workshop experience. Electric bike experience would be ideal but not imperative but a willingness to learn about electric bikes and working towards being able to diagnose and repair their electrical components is required. Working to specific timeframes you will be quick and efficient in building and servicing bikes. Self-motivated and a great team player as you will work alongside other mechanics. Speak fluent English as you may be dealing with customers to cover warranty phone calls and emails during periods of holiday cover. The position will be a 5 day working week 8am – 5pm with overtime available and working some Saturdays (10am – 2pm). The position will be a 5 day working week 8am – 5pm. And alternate Saturday 10am -2pm. In Bodiam, East Sussex. Salary will be offered on experience. Please email CVs to click to
