Here for sale is a lovely example on the bmw 135i m sport Car drives faultless and starts first time every time. Has covered 58k miles with a full service history. Very clean car inside and out, the wheels have recently been refurbed by bmw and last year the car had the turbos replaced(common problem) and are still under warranty for a year .. all paperwork to prove. Is a good spec car with the idrive system with latest maps uploaded, parking sensors , full heated leather and also the 6pot breaks. All hpi clear but i reccomend doing a check as id never take someone elses word for it. 12 months m.o.t with no adviseorys Car is very fast and drives beautifully .. very smooth. For any questions or to arrange a viewing please just ask.;
