'Streetenvy Dance & Fitness Academy' is proud to host various dance opportunities for children in Bristol and the surrounding area. We teach dance styles such as street dance, street dance technique (popping, locking, hip hop, break, house, vogue, waacking, dancehall and shuffling), commercial, contemporary, theatre, cabaret and much more. Wednesdays - 5.15-6 pm Contemporary ages 8-15 All classes above are aimed at beginners-intermediates however instructors are able to tailor per the individuals attending. We do have an advanced kids crew which you may audition for too however we require commitment and to get to know the dancer wishing to become involved to ensure a great team morale is maintained. Please enquire for more info. Age ranges are a general guideline only and we believe ability overrides age – we may ask that dancers can attend a class aimed for slightly older children if we deem this appropriate at the time. Our £5 classes per person per week – enquire for more info and any discounts we have running or follow our Facebook Page. Check out our school holiday clubs too! Our professional mirrored studio is based near to Ikea, BS5 6XX with free parking and close access to the M32 and central Bristol (walkable/cyclable/bus routes to Tesco Eastgate). All you need to bring is a bottle of water/tuck shop money, wear your trainers and sports/comfy clothing, money for the class and an enthusiastic you... we are good to go and look forward to seeing you very!
