Here we have a Shetland 535. This is a beautiful fast boat, I have used regularly last season. It's equipped with a yamaha 90hp two Stoke pre mix model. The engine also has electric tilt and stainless prop which runs beautifully. The boat has been recently refurbished and painted. The steering box and cable works smoothly. The boat will be supplied with a marine radio and fish finder, a battery, two petrol tanks and will also include an anchor and rope. This is a lovely seaworthy boat and has never let me down. I'm only selling due to buying a bigger boat. Viewing is more than welcome. Please contact me on 07960768324 079607683...(click to reveal full phone number) for any more info. Thanks,.
