'Mungo' has gone missing from his home near Underriver, Sevenoaks. It is very uncharacteristic of him to leave the farm he lived on. He is predominantly brown (liver colour) with white patches and a distinctive white streak down the middle of his face. He has an undocked tail and very hairy top of head and ears. He is very friendly. Please let us know if you see or hear anything about Mungo and share the news that we are looking for him. He is a much loved member of the family. Reward if found and returned £500.;
