We are a dog friendly park and the local beach has dog friendly areas too!

We have a full team of friendly people here to help - from our trained lifeguards and our brilliant entertainments team to the maintenance team who do things like keep the grass cut and the park tidy for you.

We offer a managed subletting scheme where we can rent out your caravan for you to help offset the costs of owning your holiday home. We do all of the work for you - from advertising and marketing and handing out the key to the family renting it, to cleaning it when they leave. The money made from this will then go into your owner account at the end of the holiday season in November to help you offset your running costs.

We also offer payment options which are quick and easy to set up.

Deposits from just 10% and Payment Options Available

Park Address: Regent Bay Holiday Park, Westgate, Morecambe, LA3 3DF

If you would like some more information or if you would like to come and visit the park to see it for yourself, then please contact me. I would love to hear from you and am more than happy to help.
