

SurbitonKingston Home Service Hairdresser with over 25 years of eperience.

Location South East, Middlesex https://www.freeadsz.co.uk/x-503232-z

Haven't you got time to go to a salon to have your hair coloured? Salon close too early for the service you need to be done after work? Definitely after a long stressful day at work the only thing you need is to relax and have a bit of pampering time without the stress of making it on time before a salon close, and surely you don't want to be rushed... I offer home service hairdressing within Surbiton and Kingston Upon Thames area, with the privilege of late evening appointments for colour/highlights/lowlights/hair extension.
