Get socialising are offering a new two day social experiment no phone challenge course.

This course will involve not having a mobile phone to use for TWO FULL DAYS.

â€

The course will involve having to go around a city of your choice for two days without your mobile phone and meeting new people!

This is will be a very challenging course to do as most of us are glued to our mobile phones now! However the benefits are building your confidence to go around and talk to people in many different social situations!

It will also teach you to keep away from your phone as much in your daily life as most of us are now glued to it to keep updates of social media!

This will show you on how it used to be like back where there was no such thing as a mobile phone finding your way around places without a device!

â€

This course is life changing as it will prevent you after the course of using your mobile as much as you are now! It will teach you on how to focus more on your own life than your mobile phone of keeping updates with the outside world all the time!
