I have a Yam/Yamaha 3.1 mtr inflatable boat c/w 4hp 2stroke engine the boat is a Yam 310s comes with treated floor, boat bag, oars, and pump it has a patch professionally sealed there are two glue remnants where the davits were as it was a tender on one side the boat is completely air tight it comes with a mariner 4hp 2 stroke not many hours very little use as a tender could be supplied with a larger engine at a cost to be negotiated would split boat and engine if needed call for any info Ade 07782 316703 07782 3167...(click to reveal full phone)
