Up for Sale is my much loved 2008 Audi A6 2.7 V6 TDI Le Mans S Line in very good condition. its got MOT until June 17 Full service history loads of paperwork 127000 miles 2 previous owners. full leather in very good condition, Audi MMI system, Colour Sat Nav, Auto wipers and lights, cd Changer, heated seats, abeyant lighting, AC, electric windows all round, 19" alloys all with matching Bridgestone tyres. This car has been very well looked by myself in the last 4 years. Its be my family vehicle so I have maintained it to a high standard. As you can see from the pics the car looks amazing the only little thing wrong is the ding in the bonnet shown is the pics (Quoted £275 to fix this is reflected in the price) there is nothing else wrong with the car. Any inspection, test drive welcome it drives faultless and the new owner wont be disappointed.

I am open to swaps I'm looking for a 5 door focus ST, VW T4 or just try me.
 Thanks for
