I'm selling my BMW 320d Touring (150HP) 2003. AC, cruise control, on-board computer, CD/radio, parking sensors, detachable towbar, used once only. The car is in perfect condition for its age. Maintained to high standards. Pets and smoke free. No knocks, rattles, smokes, leaks etc. Two owners including me, so I know detailed history. No rust or bubbles. Full service history with invoices, old mots, manuals, service books, etc., 3 keys. Refurbished, 17" genuine BMW wheels with 4 matching, quality Bridgestone tyres, fitted last year. MOT until 28 April 2017 but the car will pass it without problems. Very economical, trouble free car. I'm selling because I bought 4x4 now. You are welcome to come and see. You will not be disappointed. Please don't send offers before you see the car. &pound
