

Dorema Garda 240 All Season Full Awning (500 GBP)

Location North, Merseyside https://www.freeadsz.co.uk/x-505111-z

Dorema Garda 240 All Season Full Awning Grey Size 11 (A Measurement 900-925 Google "caravan awning A measurement" or see your van specification) With especially strong 28mm easy grip steel frame poles to allow all season usage. Ten Cate All Season coated polyester fabric. Front and side panels which can be rolled or zipped out. Very good condition. One peg tab missing and a small hole (now repaired) near central outside pole – neither affect the integrity of the structure. A fantastic addition to your caravan. It revolutionised our caravan life for the better. Bought May 2016 for £897. It is being sold as we have bought a larger caravan. We have bought another Dorema All Season awning already for our new van as it is such a great addition. We can parcel up and send by courier providing you cover the cost. I would suggest it is cheaper to pick it up as it is heavy- 35Kg (about £50 plus depending on postcode) See: http://www.dorema.co.uk/de/awnings/garda_240_garda_240_de_luxe
