

# Why Perseverance Might Not Be Such A Good Thing

Location **London, London**  
<https://www.freeadsz.co.uk/x-505429-z>

Perseverance is a good thing. It is a value that drives us towards success and achievement helping us to overcome challenges along the way. But it has the potential to trap us in mental prisons. Here we shared a full blog on "why perseverance might not be such a good thing" to leaders. We are a UK based leadership development company offering all the development programs in London.
