A funeral plan allows you to pre-pay and choose the type of funeral that you want in advance. It provides protection from rising funeral costs and relieves your loved ones of the emotional stress of arranging your funeral when the time comes. By taking out a funeral plan you will give you & your loved ones peace of mind and protection from rising funeral costs. Your plan guarantees the Funeral Director's fees and services at no extra cost to you or your next of kin, providing the funeral is carried out by the Funeral Director stated on your funeral plan certificate. Spread the cost with monthly instalments up to a term of 10.
