I have a litter of gorgeous ragdoll Cross kittens (I have the mum) they are 8 weeks and ready for their new homes now.

They are adorable and very playful. Used to being handled everyday in a family environment so not nervous at all. Would suit any household and would make the perfect family pet. 1 pure grey *girl*

1 white with tiny grey spot on head *girl*

Pure white *girl&boy* They Kittens are £300 each, the price is set. These kittens cannot be reserved sorry as they are ready now! It is whoever comes first and due to the nature of these kittens they will sell fast.

Buyer will need to arrange vaccinations. I have already done the flea and worm treatment (which I will show and explain when buying your kitten)

They eat really well and use the litter tray with no accidents at all. If you would like to give one of these gorgeous babies a loving home give me a ring. 07717481852 077174818...(click to reveal full phone)
