Life is better at the beach.

Imagine sipping on an ice cold beverage sitting in your own caravan, with the sun shining down overhead and steaks on the BBQ. If that sounds like your idea of heaven then owning your own holiday home allows you to do all this 11 months of the year (British Weather depending of course).

With breath taking surroundings there really is nowhere like North Norfolk. On site indoor and outdoor swimming pool and plenty of activities for the children get the holiday experience whenever you want it.

This Atlas moonstone is the ideal caravan to own at Manor Park at a very reasonable price. The price also includes this year's site fees, siting, connecting, tv ariel, and an inventory pack – meaning you only need to bring your own bed linen and a tv and we provide everything else.

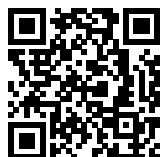

If owning your own getaway at the seaside is appealing then get in touch with Brian at Manor Park on 01485 532300 01485 5323...(click to reveal full phone number) .
