selling my Audi A4 lovely looking and in good condition, owned by me for the past 7 years, drives and runs superb, in daily use, new tyres and mot till June this year. reason for selling this cheap, is that it has got an oil leak that needs looking at, this does not affect the driving of the car as it has been like this for over a year and i use it daily. have not got the time to see to it myself so up for quick sale. Sorry will NOT accept any offers this is priced to sell and first to see will buy ring Bob 07941080190 079410801...(click to reveal full phone)
