For Sale. A used Record Power wood lathe in good working condition. Comes with leg stands and bowl turning attachment. This is a 4 speed belt driven machine. MT1 headstock and MT1 tailstock. Spindle is 3/4 x 16 tpi. Also comes with 2 spur drive, a couple of faceplates, a live tailstock centre and a couple of Jacobs chucks for the tailstock. Banjo could do with a new bolt. Tailstock handle is missing but I just use a spanner for tightening. Check Record Power website for full machine details. This is for sale as I am upgrading my workshop. Lathe is now disassembled ready for collection. Local delivery may be available for petrol costs. £130.
