Good condition car, bought another car then realised the MOT had ran out. After bumping into another car although you can't see any body damage, we can't open the bonnet as it's come of the rail on one side & a front headlight has blown hence no MOT but other than that, I was driving the car everywhere prior so it's in good nick!

Blue, 320i coupe, K reg (02) petrol, leather & material sport style seats, alloys, 7disc player, lovely car to someone who is willing to put it through an MOT or could use all the parts from it. Make me an offer but be reasonable please as it was bought for 2k a few years.
