Mens Electric E-Bike in Pristine condition. A best seller in Holland the Array combines a classic gents frame with an E-motion motor. With it's 300 watt, 36 v battery the Array can cover from 22 to 108 km depending on terrain. The front hub mounted motor offers fantastic acceleration whilst the style provides the comfortable, relaxed riding position that makes this bike perfect for shorter commutes and journeys around town. With five different power settings the Array offers varying degrees of assistance. With it's reliable 7 speed Shimano derailleur and internal cables the Array is a low maintenance bike, with the battery easily removed for charging. The E-motion software ensures smooth riding, ideal for taking the Array on leisurely rides around parks and cities. Complete with front and rear lights, full length mudguards and rear rack the Array offers the full package, breaking new ground on affordable pedal assisted transport. With its step through frame, multiple power settings and anti-slip pedals it's a fantastic option for those with mobility issues or those looking for a bike that just makes everything a little easier.
