2006 Vauxhall Astra, estate, 75k miles, automatic. Good tyres all round, 6 months MOT with no advisories at last inspection. The car does have a few dings and scratches, and will require a valet. Used as a family vehicle for beach trips and dog walks, and as such the interior is by no means immaculate, but will clean up well. Good service history, owned by us since 2013. Viewings welcome, but a valid insurance document will be required for test drive. £1950.
