Caravan Hire Without The Need To Tow Or Find Your Campsite! We are now starting to offer caravan hire, we currently have a 1998 2 berth in excellent condition which is our first hire caravan. This is ideal for couples looking into caravanning or who can't tow but still want to enjoy the caravan life! It has a seating area at the front which turns into a double bed, kitchen area which supplies hot & cold water, full cooker, microwave and work top area. There is also a fridge with a small freezer compartment along with a space heater which both run off gas or electric. The caravan will also have a landlord certificate for the Gas from a Gas Safe Engineer. At the rear of the caravan is a large bathroom with separate shower, wardrobe, toilet & sink. Both sink & shower supply hot & cold water. There is an option to have a full awning, a small fire pit, fire wood, kindling, fire lighters etc. All these are at an extra cost apart from the fire pit. The caravan will come with everything you need, cutlery (cups, knife, forks, spoons, glasses, cooking pans etc for 2 people, smoke alarm, fire extinguisher, carbon monoxide alarm, gas bottle, leisure battery, electric hook up lead, water pump, water barrel, waste water carrier, toilet fluids, washing up liquid, sponges, tissues, kettle, tea, coffee, sugar etc, the list goes on! We do NOT supply bedding, pillows, bed sheets etc. The best bit about it is we do all the hard work for you! Tell us where & when you want to go and we will find the right campsite for you, book you in, deliver the caravan anywhere in England, set the caravan up, show you how to use everything & collect the caravan at the end of your stay. We will not leave until you are 100% confident & happy with using the caravan. Caravans are not to be towed by the customer and will have a hitch lock & wheel clamp during your stay, keys to these will NOT be handed out.

There is a minimum stay of 5 nights which costs £275 for the caravan hire, any nights after that cost £55

per night. You will also have the cost of the campsite stay. We charge £0.80 per mile round trip for the caravan to the campsite and when the caravan is collected in the South East Surrey area. If you want to collect the caravan, we will charge £200 for the 5 nights after the first night. There is a £50 deposit which will be returned by cash upon collection of the caravan.
